

Yunji Ma

Product Experience Designer

Product experience designer working from visual craft and interaction through product structure and design leadership. I turn complex workflows into precise, usable experiences - from the details people touch to the logic that makes them work.

EXPERIENCE

APR 2026 - PRESENT

Independent

Independent Product Experience Designer

Collaborative product projects across interaction, product direction, and runnable prototypes. Exploratory work remains distinct from shipped employer experience.

APR 2025 - APR 2026

OSL

Product Designer · Consultant

Product experience work across VND Off-Ramp, On/Off Ramp research and product direction, and StableHub / Earn Carnival. Consultant engagement; business, compliance, release, and operating decisions remained cross-functional.

MAR 2019 - APR 2025

Beijing Langshi Technology Co., Ltd.

Design Director

Led product experience direction and design practice across Maro: ByteBridge, WorkBox, task systems, quality, and delivery.

FEB 2014 - MAR 2019

Beijing TataStar Network Technology Co., Ltd.

Product Experience Designer

Designed product experiences across social products, asset and wallet services, brand systems, and motion.

JUL 2012 - FEB 2014

Beijing October Yizhan Technology Co., Ltd.

UI Design Intern to UI Designer

UI Design Intern through Jun 2013 before graduation; continued as UI Designer after graduation.

SELECTED WORK

Maro

[Data Production · ByteBridge / WorkBox](#)

Reframed a data-production chain across customer expression, technology, mobile human work, quality, and delivery.

OSL

[VND Off-Ramp & On/Off Ramp Product Direction](#)

Designed a bounded local money path and research-led direction around responsibility, transaction states, and recovery.

StableHub / Earn Carnival

[Stablecoin Rewards Campaign](#)

Used product prototypes to make campaign states, routes, and cross-surface behavior concrete for review and delivery.

RECOGNITION

Red Dot: Junior Award 2025

LOONG CITY: Datong Ancient City

[Graphic Design · Project Team](#)

EDUCATION

Beijing Jiaotong University

Bachelor's degree · Art & Design

Department of Architecture & Art

[2009 - Jun 2013](#)
